

IMPACT | RESTORE | DISCIPLE | REPEAT

THE HOPE PROJECT

THE *hope* PROJECT

WHAT IS THE HOPE PROJECT?

(RE)SHAPE IDENTITY
RESTORE DIGNITY
(RE)BUILD FAMILIES

In 2012 Micah y Melissa established Til He Returns Ministries to bring fundamental transformation to the marginalized communities through effective and biblical engagement of those at risk.

The Hope Project is the name of the Costa Rican based project that mobilizes locals to IMPACT, RESTORE, DISCIPLE, and REPEAT within their own communities through our various ministries and programs.

Our programs are based on the approach of **Helping Without Hurting.**

THE *hope* PROJECT

IMPACT

The basic focus and foundation of our ministry is connecting God and man. Using our spiritual gifts we can **IMPACT** those looking for salvation and healing in Christ through one on one interactions via local outreach.

RESTORE

Through our ministry center, we are **RESTORING** lives, practically through life skills training. We also teach them to seek reconciliation with Christ, with themselves, others, and creation through forgiveness, inner healing, and hope.

DISCIPLE

Through the process of restoration, we build a deeper relationship with others which offers an excellent opportunity to **DISCIPLE** & develop their character.

REPEAT

Through our ministry, everyone impacted, restored and disciplined is encouraged to **REPEAT** the process in others around them.

COMMUNITY CENTER

Using the arts, Ecclesia, evangelizes in parks, prisons, orphanages, and more to **IMPACT** as many lives as we can with the Gospel.

With a purpose to glorify God and reach the lost, our ministry is meeting young people right where they are and offering a hand up.

IMPACT

JOB SKILLS TRAINING CENTER

The job skills programs teach kingdom character & bring hope for the future.

The focus is to restore dignity and value to the person, and make them whole and valuable employees.

This **RESTORES** individuals and families.

RESTORE

PRENATAL CENTER

The Refuge, our Crisis Pregnancy Center, began in 2016. It guides pregnant ladies and new moms with both practical and spiritual counseling.

This is one of our biggest **DISCIPLESHIP** programs that is reshaping the most basic fundamental of society, the family.

DISCIPLE

SPRITUAL GROWTH CENTER

Ecclesia is the newest and most exciting development within the ministry that is mobilizing locals.

A gathering of believers come together weekly to read the Word together, pray, and encourage one another in their spiritual growth.

OUR LOCAL REACH

Our ministry strives to equip locals to operate local ministry where possible. For other roles, we require missionaries to fill the role. Our ministry reaches far and is always growing. There is room for you! We currently have openings for full time missionaries to fill Director and Administrator roles for most of our daily ministry programs.
